

# **SINGAPORE ORCHID SHOW 2018 SHOW SCHEDULE**

To be held at

**NATIONAL ORCHID GARDEN  
21 – 29 APRIL 2018  
8.30 am – 7.00 pm  
(last admission at 6.00 pm)**

**Registration of plants: Thursday 19 April 2018  
Judging Day: Friday 20 April 2018**

**Organised by:**

# SINGAPORE ORCHID SHOW 2018

## ESSENTIAL INFORMATION

- 1 Show Secretariat Contact:  
Ms Lim Guat Bee  
Contact No.: (65) 6352 9220  
Email: [orchidshow@osea.org.sg](mailto:orchidshow@osea.org.sg)  
Ms Aw Yan Ling  
Contact No.: (65) 6471 7133  
Email: [aw\\_yan\\_ling@nparks.gov.sg](mailto:aw_yan_ling@nparks.gov.sg)
- 2 This show will include landscape competitions in 10 & 15 sq m plots. Entries are invited from all interested persons and parties. The set-up of landscape displays is from 17 – 19 April 2018 (3 days); teardown of landscape displays is on 30 April 2018 (1 day). Please refer to the Orchid Landscape Display competition kit for more information. Submission of entry form and design sketch will close on 31 January 2018, 5pm and shortlisted exhibitors will be informed within 2 weeks of the closing date. Vehicle access to the Orchid Plaza must be arranged with show secretariat and is strictly for offloading plants and materials.
- 3 Competition plants will be officially labelled at registration, and exhibited separately from landscapes. It is important that exhibitors correctly identify and label/name their plants before registration, to avoid delays.
- 4 Registration of plants is on Thursday 19 April 2018 (10.00 am – 5.00 pm) at Burkill Hall, National Orchid Garden, Singapore Botanic Gardens. There is no entry fee. Permission for vehicle access to Burkill Hall must be arranged with show secretariat. There is no parking available at Burkill Hall, entry is strictly for unloading of plants for registration.

- 5 Registration in advance is encouraged. For advanced registration please contact the Show Secretariat for details.
- 6 Acceptance of plants is at the discretion of the registration desk and appeals may be made to the Chair of Judges whose decision will be final.
- 7 For overseas exhibitors, CITES and phytosanitary inspections by AVA and AVA Rules regarding CITES and Phytosanitary provisions are available from the Show Secretariat and will be forwarded to exhibitors on request.
- 8 The Show will be officially opened on Saturday 21 April 2018, 8.30 am and will remain open to the public until Sunday 29 April 2018, 7.00 pm (last entry at 6pm).
- 9 Trophy winners will be presented at the Official Opening of the Show.
- 10 Winners of trophies may retain their trophies for a period of 1 year with an undertaking of safe return, but trophies will be exhibited with the winning plants during the show.
- 11 The Show Organisers may remove or replace plants or flowers unable to last the full duration of the show. Exhibitors whose plants are removed from the display will be notified.
- 12 While care will be taken to safeguard the exhibits, exhibits are accepted at the owner's risk. The Show Committee cannot accept responsibility for damage or loss of any exhibit.
- 13 Plants may be reclaimed on Sunday 29 April 2018, from 7.00 pm evening / after close of show, or on the following day from 8.00 am – 5.00 pm.

### **COMPETITION RULES**

- 1 Plants registered for competition will be placed in sections for judging by the stewards. Exhibitors may not place plants within the individual competition area. Plants remaining in landscapes will not be judged as competition plants.
- 2 Exhibitors may enter exhibits in their name, or under a pseudonym. Corporate or organisational names are allowed. Joint entries are not allowed.
- 3 Exhibitors will be classed as amateur or professional/commercial. An amateur is a hobby grower whose winning will not benefit or be thought to benefit a professional or commercial grower or organisation. Spouses and close family members of professional or commercial growers may not exhibit as amateurs.
- 4 Judging will be by invited Judges, who will only consider landscapes and registered competitive plants.
- 5 Challenge cups, ribbons and medals will be awarded. Challenge Cups are awarded in the discretion of Judges to worthy winners. Ribbons are awarded for first second and third placing within classes. Gold, silver and bronze medals are awarded on the basis of absolute merit, and any number (or none) may be awarded at the discretion of Judges. Time permitting, OSSEA Award Judging will also be carried out.
- 6 A plant may receive more than one award.

- 7 The judges may in their discretion withhold any award if exhibited plants are considered unworthy.
- 8 Orchids with attractive or variegated foliage will be judged as foliage plants, but if in flower, they will also be considered in the respective floral sections.
- 9 Landscapes should not contain flowering plants other than orchids.
- 10 The Chair of Judges has the authority to decide the class of entry of a particular plant.
- 11 To be eligible for the Yuen-Peng McNeice Challenge Cup, specimen plants should be single plants.
- 12 Where more than one plant is in a pot or other container or mount, only the best will be judged. In the case of Papilionanthe and strongly terete Papilionandas, up to 5 plants (stems) may be included in the pot and will be judged as a group, see the note at the relevant schedule classes.
- 13 Stakes or wires must be unobtrusive, must not touch any part of any flower, including the pedicel, and must not extend beyond the first flower on any spray, except in the case of Phalaenopsis and Oncidium Alliance exhibits.
- 14 Disbudded plants, diseased plants and newly collected jungle plants are not to be exhibited.
- 15 No exhibit may be removed before the close of the Show without the permission of the Show Manager.
- 16 Any infringement of these rules may lead to the disqualification of the exhibit or exhibitor concerned. Any protest concerning such infringement or any other matter must be made to the Show Chair, whose decision shall be final.

### **SPECIAL AWARDS AND POINTS**

- 1 Special Awards:
  - (i) The President's Challenge Cup for the Grand Champion plant
  - (ii) The Orchid Society of South East Asia Championship Cup for the Exhibitor awarded the greatest number of first places in various classes. In the event of a tie, the number of second places will be used, etc.
  - (iii) H.H. Sultan of Johor's Perpetual Trophy to the Amateur scoring the highest number of points
  - (iv) Tan Jiew Hoe Challenge Cup for the Best Landscape
  - (v) Yuen-Peng McNeice Challenge Cup for the Best Specimen Plant
  - (vi) Penang Gardening Society Challenge Cup for the Best Species
  - (vii) John Laycock Challenge Cup for the Best Hybrid

- 2 Other Challenge Cups to be awarded are listed in the schedule below. All such Challenge Cups are awarded at the discretion of judges only to plants that meet the standard expected for a challenge cup.
- 3 For determining the H.H. Sultan of Johor's Perpetual Trophy, amateur exhibits will receive points as follows:

Exhibits	1st	2nd	3rd
Individual Plants in classes	4 pts	2 pts	1 pts

### THE SCHEDULE

#### GROUP A: Landscapes

<b>SECTION 1</b>	<b>All Landscapes</b>
------------------	-----------------------

- Tan Jiew Hoe Challenge Cup for the Best Landscape (Classes 1 & 2)  
 Straits Times Challenge Cup for the best 10sq m landscape (Class 1)  
 Straits Times Challenge Cup for the best 15sq m landscape (Class 2)

#### Class

1. Landscapes 10 sq m
2. Landscapes 15 sq m

#### GROUP B: Vandaeae

<b>SECTION 2</b>	<b>Strap-leaf Vanda Species and Hybrids – large flowered: Flowers 6cm or more high or wide</b>
------------------	--

*Includes all large-flowered genera registered as Vanda as of January 2013 (e.g. large Ascocendas).*

- Koh Keng Hoe Challenge Cup for the best strap leaf Vanda species or hybrid without sanderiana strain, or Papilionanda Mimi Palmer & its hybrids (Classes 3 & 4, 12)  
 Chay Sing Hai Challenge Cup for the best Vanda sanderiana or hybrid with sanderiana strain (Classes 5-9)

#### Class

3. Vanda species, excluding V sanderiana
4. Vanda hybrids with no V sanderiana strain
5. Vanda sanderiana
6. Vanda hybrids with V sanderiana strain, predominantly blue or purple
7. Vanda hybrids with V sanderiana strain, predominantly pink, orange or red
8. Vanda hybrids with V sanderiana strain, predominantly yellow or white
9. Vanda hybrids with V sanderiana strain, any other colour or pattern, including V sanderiana type colour and pattern.

<b>SECTION 3</b>	<b>Strap-leaf Vanda Species and Hybrids – small flowered: Flowers below 6 cm high or wide.</b>
------------------	--

*Includes all small flowered genera registered as Vanda as of January 2013 (e.g. Ascocentrum, small Ascocendas, Neofinetia).*

Tan Kah Kee Challenge Cup for the best small flowered Vanda species or hybrid  
(Classes 10-11)

**Class**

10. Vanda species
11. Vanda hybrids

<b>SECTION 4</b>	<b>Papilionanthe Species and Hybrids, and Papilionanda</b>
------------------	--

*Includes all former terete and semi- or part-terete vandas. For Classes 13 & 14, up to five plants (stems) may be included per pot and will be judged as a collection. If more than five stems are included, only the best single stem will be considered.*

Koh Cheng Khiang Challenge Cup for the best Papilionanthe species or semi-terete hybrid  
(Classes 13 & 14)

Tan Hoon Siang Challenge Cup for the best Papilionanda (Vanda) Tan Chay Yan or similar hybrid (Class 15)

Lee Kim Hong Challenge Cup for the best Papilionanda (semi- or part-terete Vanda) or Papilionanthe multigeneric (Classes 16 & 17)

**Class**

12. Papilionanda Mimi Palmer and hybrids with strong Mimi Palmer influence
13. Papilionanthe species or hybrids
14. Papilionanda hybrids, semi-terete with strong Papilionanthe influence, e.g. Pda Rubella
15. Papilionanda hybrids - Tan Chay Yan type with peach/salmon coloration
16. Papilionanda hybrids – Others
17. Papilionanthe intergeneric hybrids with Papilionanthe influence predominant

<b>SECTION 5</b>	<b>Arachnis, Renanthera and Allied Hybrids including Aranda</b>
------------------	---

Yeoh Bok Choon Challenge Cup for the best Arachnis species or classic hybrid  
(Classes 18-19)

Sun Kee Flower Shop Challenge Cup for the best Aranda (Classes 20-22)

Lim Theng Hin Challenge Cup for the best Renanthera or Allied Hybrid  
(Classes 23 -26)

**Class**

18. Arachnis species and bi-generic or multi-generic hybrids other than Aranda, with predominantly Arachnis influence and characteristics, e.g. Arach. Maroon Maggie.

May include e.g. Aracampe, Arachnoglossum, Arachnoglottis, Burkillara, Leeara, Ramasamyara, Ridleyara, Vandachnis.

19. Aranda – classic small flowers e.g. (Hilda Galistan, Deborah)
20. Aranda – Predominant Red, Purple, Blue, Violet
21. Aranda – Yellow or Orange
22. Aranda – Strong pattern or any other colour
23. Renanthera species
24. Renanthera hybrids
25. Renantanda
26. Any bi-generic or multi-generic hybrid other than Renantanda with predominantly Renanthera influence and characteristics (e.g. Aranthera, Dorthera, Hawaiaara, Holttumara, Limara, Ngara, Renaglottis, Renanopsis, Yoneoara, Ernestara, Renanthopsis, Yusofara)

<b>SECTION 6</b>	<b>Phalaenopsis Species</b>
------------------	-----------------------------

*Includes all species now registered as Phalaenopsis as of January 2013 (e.g. Kingidium, Doritis)*

Chew Bin Chin Challenge Cup for the best Phalaenopsis or allied species or hybrid (Sections 6 & 7)

Tom and Nan Elliott Challenge Cup for the best Phalaenopsis species (Classes 27-29)

**Class**

27. Phalaenopsis bellina and Phalaenopsis violacea
28. Phalaenopsis cornu-cervi and others species in sect. Polychilos (pantherina, manni, borneensis)
29. Phalaenopsis – any other species

<b>SECTION 7</b>	<b>Phalaenopsis Hybrids and Phal pulcherrima</b>
------------------	--

Chew Bin Chin Challenge Cup for the best Phalaenopsis or allied species or hybrid (Sections 6 & 7)

Nam Kee Nursery Challenge Cup for the best Phalaenopsis hybrid (Classes 30-42)

Governor's Cup for the best species or hybrid with *Phal pulcherrima* characteristics (Class 41)

**Class**

30. Phalaenopsis hybrids - star shaped (with background from Sections other than section Phalaenopsis displaying sequentially flowering, predominantly star shaped, fleshy flowers borne on relatively short inflorescences, and which may be fragrant).
31. Phalaenopsis hybrids – standard white (not being Star Shaped, with flowers 8 cm or more across on branching or non-branching inflorescences).
32. Phalaenopsis hybrids – standard white with coloured lip
33. Phalaenopsis hybrids – standard – pink, purple or violet with or without markings
34. Phalaenopsis hybrids – standard – stripes, splash
35. Phalaenopsis hybrids – standard – any other colour or markings
36. Phalaenopsis hybrids, small – white (may include with coloured lip or markings)

“small” Phalaenopsis hybrids are those, not being Star Shaped, but with flowers less than 8 cm across on branching or non-branching inflorescences; usually with Phal. equestris influence.

37. Phalaenopsis hybrids, small – harlequin blotches (any colour)
38. Phalaenopsis hybrids, small – stripes, splash,
39. Phalaenopsis hybrids, small – pink, purple or violet with or without marking
40. Phalaenopsis hybrids, other – any other colour with or without markings
41. Phalaenopsis pulcherrima or hybrids with predominantly Phal pulcherrima influence and characteristics, e.g., erect inflorescence.
42. Phalaenopsis any other hybrid not included above and any intergeneric phalaenopsis type hybrids, e.g. Asconopsis

<b>SECTION 8</b>	<b>Vandae – Other Species and Hybrids</b>
------------------	---

Orchidville Challenge Cup for the best Paraphalaenopsis species or allied hybrid (Class 43)  
Sum Lai Woh Memorial Challenge Trophy for the best Aerides or other vandaceous species or hybrid (classes 44-46)

**Class**

43. Paraphalaenopsis species and intra- or intergeneric hybrids with predominantly Paraphalaenopsis influence and characteristics (e.g. Sealara Nelson Mandela)
44. Rhynchostylis species and intra- or intergeneric hybrids with predominantly Rhynchostylis influence and characteristics
45. Aerides species and intra- or intergeneric hybrids with predominantly Aerides influence and characteristics (e.g. Aeridachnis, Aeriditis, Aeridocentrum, Aeridopsis, Aeridovanda, Christieara, Lewisara, Renades, Rhynchorides)
46. Any other vandaceous species or hybrid not provided for above (includes Angraecum, Aerangis, Podangis)

**GROUP C: Cypridioideae**

<b>SECTION 9</b>	<b>Paphiopedilum and Allied Genera</b>
------------------	--

Caltex Challenge Cup for the best Paphiopedilum & Allied Genera (classes 47-50)

**Class**

47. Paphiopedilum species and hybrids, section brachypetalum
48. Paphiopedilum species and hybrids, other single flowered
49. Paphiopedilum species and hybrids, multiflowered
50. Cypridium or Phragmipedium species or hybrids

**GROUP D: Dendrobiinae**

<b>SECTION 10</b>	<b>Dendrobium and allied species</b>
-------------------	--------------------------------------

*Includes Flickingeria, Eria and Pinalia*

*NB: Miniature plants are those at or below 15 cm. However, for the sake of consistency, judges and the registration desk have the discretion to adjust this criterion so that plants of the same parentage are all judged in the same class.*

Bournemouth Cup for the best Dendrobium species or hybrid (Sections 10 & 11)

Quek Kiah Huat Challenge Cup for the best Dendrobium species (Classes 51-53)

**Class**

51. Dendrobium species, section Spatulata, standard
52. Dendrobium species, section Spatulata, miniature
53. Dendrobium species – any other

<b>SECTION 11</b>	<b>Dendrobium and allied hybrids</b>
-------------------	--------------------------------------

*Includes Flickingeria and Eria.*

Soh Kim Kang Challenge Cup for the best Dendrobium hybrid (classes 54-64)

54. Dendrobium hybrids, section Spatulata – dark shades, mixed colour
55. Dendrobium hybrids, section Spatulata – light shades, mixed colours
56. Dendrobium hybrids, section Spatulata – single colour predominant.
57. Dendrobium hybrids, section Formosae
58. Dendrobium hybrids with round or intermediate type flowers - White
59. Dendrobium hybrids with round or intermediate type flowers - Pink
60. Dendrobium hybrids with round or intermediate type flowers - Purple
61. Dendrobium hybrids with round or intermediate type flowers – other colours
62. Miniature Dendrobium hybrids (Spatulata type)
63. Miniature Dendrobium hybrids (others)
64. Dendrobium hybrids – any other not provided for above

**GROUP E: Laeliinae**

<b>SECTION 12</b>	<b>Cattleya Alliance</b>
-------------------	--------------------------

Lewis Challenge Cup for best Cattleya alliance species or hybrid (Classes 65-69, 72)

Tan Chay Yan Challenge Cup for best miniature Cattleya alliance species or hybrid (Classes 70-71). *Miniature plants are those at or below 15 cm. However, for the sake of consistency, judges and the registration desk have the discretion to adjust this criterion so that plants of the same parentage are all judged in the same class.*

**Class**

65. Cattleya, Broughtonia, Laelia, Rhynchovola and Sophronitis species (standard plants)
66. Brassavola species and hybrids.
67. Any Other Cattleya, alliance species (including Encyclia, Caularthron, Epidendrum and Myrmecophila/Schomburgkia)
68. Standard Cattleya and allied hybrids with contrasting colours
69. Standard Cattleya and allied hybrid – any other
70. Mini-Cattleya and allied hybrids with contrasting colours
71. Mini-Cattleya and allied hybrid – any other
72. Cattleya alliance hybrids – any other not provided for above.

**GROUP F: Cymbidiinae & Catasetiinae**

<b>SECTION 13</b>	<b>Cymbidium, Grammatophyllum, Catasetum and Allied Genera</b>
-------------------	--

*Includes Erycina, Eulophia*

Seng Heng Challenge Cup for the best Cymbidium, Grammatophyllum and Allied Genera species or hybrid (Classes 73-75)

Chan Sing Cheung Challenge Cup for the best Catasetum and Alliance species or hybrid (Class 76)

**Class**

73. Cymbidium species and hybrids
74. Grammatophyllum species and hybrids (including Gramcidium)
75. Other allied species and hybrids (e.g. Dipodium, Thecostele, Thecopus, Acriopsis) and including intergeneric hybrids
76. Other Catasetiinae species and hybrids (including Catasetum, Clowesia, Cycnoches, Galeandra,)

**GROUP G: Oncidiinae**

<b>SECTION 14</b>	<b>Oncidium Alliance</b>
-------------------	--------------------------

Tri-Products Challenge Cup for the best Oncidium or allied hybrid (classes 77-81)

**Class**

77. Trichocentrum species and hybrids (mule-eared and terete oncidiums)
78. Tolumnia species and hybrids (equitant oncidiums)
79. Oncidium, Oncidesa, Cyrtocidium and allied species and hybrids (thin-leaved oncidiums)
80. Miltoniopsis species and hybrids
81. Any Oncidium alliance species or hybrid other than above (e.g. Aliciara, Brassia, Brassidium, Miltassia, Miltonia, Odontoglossum, Rodriguesia, Zelenkoa)

**GROUP H: Bulbophyllinae**

<b>SECTION 15</b>	<b>Bulbophyllum</b>
-------------------	---------------------

Richard Sng Memorial Cup for the best Bulbophyllum or allied species or hybrid (Classes 82-85)

**Class**

82. Bulbophyllum species, single flower
83. Bulbophyllum species, multiflowered with fan or umbellate flowers
84. Bulbophyllum species, other multiflowered
85. Bulbophyllum hybrids

**GROUP I: Arethuseae**

<b>SECTION 16</b>	<b>Arethuseae</b>
-------------------	-------------------

*Includes the following genera: Acanthephippium, Arundina, Bletia Calanthe, Dilochia, Phaius, Spathoglottis, Tainia, Thunia, Plocoglottis, Sobralia)*

Woon Leng Nursery Challenge Cup for the best Arethuseae (classes 86-87)

**Class**

- 86. Spathoglottis species and hybrids
- 87. Other Arethuseae species or hybrids, including Phaius and Calanthe

**GROUP J: Foliage Orchids**

<b>SECTION 17</b>	<b>Foliage Orchids</b>
-------------------	------------------------

*Note: Orchids in this section will be judged on their foliage. Any plant registered in any other section with decorative foliage may also be considered by Judges in section 17. However, such plants will also be judged on their blooms in their respective floral classes by the relevant teams.*

Mak Chin On Challenge Trophy for the best Foliage Orchid (any class)

**Class**

- 88. Jewel Orchids – ornamental species and hybrids in Ludisia, Anoectochilus, Dossinia, Goodyera, Macodes, etc.
- 89. Cymbidium and Grammatophyllum, variegated forms
- 90. Species or hybrids with ornamental or variegated foliage not otherwise provided for

**GROUP K: Orchids not provided for elsewhere in this Schedule**

<b>SECTION 18</b>	<b>Orchids for which no other Class Is provided</b>
-------------------	---

Mandaiana Challenge Cup for the best species in the Section

Wiltech Agrotechnology Challenge Cup for the best hybrid in the Section

**Class**

- 91. Dracula, Masdevallia, Coryanthes, Stanhopea and Gongora species and hybrids
- 92. Anguloa, Lycaste and Sudamerlycaste (Ida) species and hybrids
- 93. Coelogyne species and hybrids
- 94. Any other orchid species not provided for elsewhere in this schedule
- 95. Any other orchid hybrid not provided for elsewhere in this schedule

**End of schedule**
