

## Sales Table Guidelines

- 1) Only members may participate in Sales Table Activities.
- 2) Members who wish to engage in a monetary transaction of plants during Monthly Meetings must do it at the Sales Table, with the exception of approved vendors.
- 3) All sales made are final and no disputes will be entertained by OSSEA.
- 4) No guarantees are made by OSSEA about the veracity of sellers' claims with regards to the condition of the plant. Buyers have to go into transactions with their eyes open. By entering a sale, buyers agree that they accept the condition of the plant at the point of sale.
- 5) Price will be set by the seller, strictly no haggling or bargaining.
- 6) Payment will be made to the Sales Table in-charge (Nicholas Chua), and in the event that he is not around, to the relief in-charge (Parry Aw).
- 7) The Sales Table in-charge will maintain a record of all sales made (Seller full name, buyer full name, price, and OSSEA's cut. Buyer and seller both to sign off on the sheet.).
- 8) OSSEA takes a marginal cut from sales proceeds:

Price Bracket	OSSEA's Cut	Total Cost to Buyers
If price is between \$1 and \$10	\$2	Price + \$2
If price is between \$11 and \$20	\$4	Price + \$4
If price is between \$21 and \$30	\$6	Price + \$6
If price is between \$31 and \$40	\$8	Price + \$8
If price is above \$40	\$10	Price + \$10

- 9) Payment is to be made in full at point of purchase, in cash terms only.
