## ESSENTIAL INFORMATION

- 1 There will be registration of individual plants for judging at this show, and these plants will be placed in sections for judging by the stewards. Exhibitors may not place plants within the show.
- 2 This show will not include any landscape competition.
- 3 Plants will be officially labelled at registration, but it is important that exhibitors correctly identify and label/name their plants before registration, to avoid delays. Only valid names will be accepted for plant entries. Trade names are allowed only for cut flower entries.
- 4 All plants for the competition must be registered online. Online plant registration will open on **28 August 0800 hours to 4 September 2359 hours.**
- 5 The link to online registration website is [orchidshow.ossea.org.sg](http://orchidshow.ossea.org.sg). Upon successful registration, a unique number will be generated for the plant and the plant should be tagged with that number (exhibitor's own tag).
- 6 Plants with the registration numbers securely tagged are to be delivered to Tanglin Mall on 5th September from 1000 to 2000 hours.
- 7 In order to avoid congestion at the delivery point, you may pre-book a delivery time by email to [OSSEA1928@gmail.com](mailto:OSSEA1928@gmail.com) . Whilst OSSEA will attempt to assist to allow delivery as requested, OSSEA reserves the right to appoint a time to facilitate smooth delivery of all plants for the competition.
- 8 Whilst the times stated for registration and delivery should be strictly complied with, if for some unforeseen reason you are unable to comply with the times, you may apply to OSSEA for an extension of time setting out your reasons for the delay by email to [OSSEA1928@gmail.com](mailto:OSSEA1928@gmail.com). Your request will be considered by the Chief of Judging, whose decision shall be final and no further appeal will be entertained.
- 9 **Cut flower entries** are to be submitted only on 6 September 2019 from 9am to 12 noon.
- 10 Judging will commence on 6 September from 1600 hours.
- 11 The Show will be officially opened on 7<sup>th</sup> Sept (10am to 10pm) and will remain open to the public until 15<sup>th</sup> Sept (10am to 9 pm).
- 12 Plants may be reclaimed on 15<sup>th</sup> Sept (After 9pm)
- 13 OSSEA Perpetual Trophies will be presented to winners at the Official Opening of the Orchid Show.
- 14 Winners may not retain the OSSEA Perpetual Trophies.
- 15 The Show Organisers may remove or replace plants or flowers unable to last the full duration of the show. Exhibitors whose plants are removed from the display will be notified.
